Sir:

The following is a statement of the substance of a telephone interview conducted between Supervisory Patent Examiner Kathy Matecki and the undersigned on even date.

During the interview, SPA Matecki indicated the subject application would be allowed, i.e., that the Notice of Allowance was being processed today. Since the subject application is in condition for allowance, it appears no further response to the final rejection mailed January 6, 2004 is necessary, i.e., the Amendment After Final Rejection filed April 2, 2004 placed the application in condition for allowance.

To the extent necessary, applicants petition for an extension of time under 37 CFR 1.136. Please charge any shortage in the fees due in connection with the filing of this paper, including extension of time fees, to the deposit account of Antonelli,

Terry, Stout & Kraus, LLP, Deposit Account No. 01-2135 (Case: 865.41078X00),
and please credit any excess fees to such deposit account.

Respectfully submitted,
